# Design process Timeline

01

PHASE

appraisal &  
design  
brief

03

PHASE

Technical and  
production

02

PHASE

concept &  
planning

04

PHASE

Development  
& completion

Our website design process begins with understanding the client's goals and gathering requirements, followed by wireframing and designing the UI/UX. After design approval, we move into development, testing, and finally launch the website, typically within a 2–4 week timeline depending on the project scope.
